Perfect Plants in Public Places

Rented | Planted | Watered | Purchased

100% recyclable

Long lasting

- Create colourful floral displays with our award-winning designs.
- Keep your streets safer with our traffic control security planters.
- Purchase planters planted or empty or try our rental packages.
- Create longer-lasting floral displays with our built-in 7-days reservoirs.
- Brighten up your streets with our unique solar-powered Christmas trees.

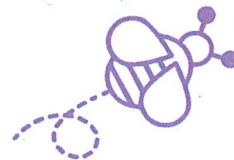

- Transform your summer with Plantscape's stunning floral displays, featuring nectar-rich options available to attract and feed pollinators.
- Our pollinator friendly range of planters includes nectar and pollen rich plants, which promote insect welfare by promoting their food chain.
